ABOUT the ARTIST

Alan has been an artist for 40 years. Born in England, Alan grew up in Canada. He holds several degrees (B.Sc. Geology, B.Ed. Admin., M.A.), and is an elected member of the Canadian Society of Painters in Water Colour and the Society of Canadian Artists. A geologist, he lived in the Canadian north for a number of years, and many of his paintings are based on the boreal landscape. He enjoys outdoor painting. Alan taught regular watercolour classes in Cornwall, and also taught at St. Lawrence College, Summer School of the Arts, Brockville.

In recent years, Alan has developed a technique of watercolour painting on hard surfaces. He will touch on how to go about this during the workshop
